3 MAKE A POSTER FOR PEACE

Draw a picture or write a message to express how you feel.
Stick it in your window so that other people can see it too.
Ask a parent or guardian to send a photo of it to us at

hello@theweekjunior.co.uk if you'd be happy for us to print it
in a future issue of *The Week Junior*. They can also tag us on
social media [@theweekjunior](https://www.instagram.com/theweekjunior) if they'd like to share it online.
